Worksheet 36: Creating a new scene Student name:\_ Teacher: Class: View the **Lockie Leonard** series or selected episodes from the series. Choose a scene for the series that you would like to change. Write a new scene for the series. Ideas for this scene might be: • Something that could or should have happened, but didn't. • A scene that presents events from a different character's point of view or provides explanation for certain behaviours / decisions. • A different (preferred) ending (to the series or a single episode). • A scene set ten (10) years after the events of the series – what are the characters doing now? Once completed, perform the scene with other members of the class and discuss: 1. Is the scene an improvement on the original? 2. How does the new scene encourage you to think differently about particular characters and events? Draft your ideas here:
